Practice times other than those listed above are to be arranged through your teacher. Skaters are not allowed on the floor when there is not a teacher or manager in the building. The above listed times are subject to change. Please check the bulletin board for changes in the practice schedule.

The cost of these practice sessions is included in the club dues. **Skaters who are delinquent in their club dues will forfeit their practice privileges.**

During practice sessions, skaters who are taking private lessons have the absolute right of way at all times. Common courtesy is required and expected during practice sessions. No individual or team, unless taking a private lesson, has the right of way all the time.
